Dear Parents,

We are thankful for your trust in AlZuhour Private School. We would like to bring your kind attention toward Re-registration and pending school fees.

During the Spring break and Distance Learning period the school will remain open for re-registration and fee submission. You are welcome to come between 8:30 a.m. and 12:30 p.m. from Sunday to Thursday starting Sunday 8/3/2020.

Hopefully, we will be able to provide online service for fee payment in a short time, but for the time being we request you to please pay us a short visit at school to finalize your child fees to avoid any inconvenience in the future.

Please ignore if already paid or re-registered.

We wish the best educational results for your child and blessed life for you.

Thanking you in advance,

Administration
