Reading and Writing Program in the Early Years

In Readers Workshop, KG2 Students had so much fun learning how to check the book's pictures. They learned how to use the picture and the beginning sound to read new words. They also learned how to point under each word and read one for one. Word Wall Words helped them to cross check by looking at the beginning and end of the word to make sure it matches the picture.

As for Writers Workshop, they learned how to be writers by talking out their plan for the day and then get to work. And they learned how to ask themselves questions to help them decide what more they could add to their pictures or words. Now, they are able to carry on as independent writers and spell their words the best that they can.

What is your Hobby?!

OUR STUDENTS SHARED THEIR HOBBIES WITH THEIR FRIENDS THIS MONTH

Hobbies benefit children in numerous ways. Because they are expressions of personal accomplishment and a means of self-discovery, hobbies help build self-esteem.

How to Find a Hobby for Your Child:

- 1- Set a good example**
- 2- Be prepared to sacrifice space**
- 3- Provide some guidance**
- 4- Limit television watching.**
