Middle School Activity Day

The best way to pay for a lovely moment is to enjoy it, and attending the sports day was an extremely enjoyable and proud moment. We can't imagine how difficult it must have been to manage and to present such beautiful performances.

The entire Annual Sport Event was so good and well-managed, and the active participation of all the teachers and students added so much cohesion.

STAY SAFE... ENJOY HOLIDAY

1. Don't share too much information.

2. Create a list of things your kids should never post or share online and make sure they understand why it is important to keep this information private.

3. Be careful about what you post. The Internet isn't private.

4. Teach them be thoughtful and cautious in what they post and share online.

5. Only connect with people you know. "Don't talk to strangers".

6. check your children's privacy settings to make sure strangers can't see their profiles.

6. Protect your password. Show your kids how to create strong passwords and make sure they know to never share them with anyone (except their parents or a trusted adult).

Goodbye

This year, some of you have discovered yourselves. Some of you have become leaders. Some of you have proven to be exceptional at assisting others. Some of you are still figuring out your unique place in the world, and that is perfectly fine.

You all made progress in some way. And that is what is most important.

REMINDE YOURSELF OF WHAT YOU ACCOMPLISHED THIS YEAR AND WHERE YOU WANT TO IMPROVE. REMIND YOURSELF OF A FEW GROUND RULES YOU WANT TO ESTABLISH FOR NEXT YEAR.

Most importantly, have faith in yourself. We will miss you until the new year begins, but we know that you must move forward in order to achieve the great things that life has in store for you. Stop letting your fears hold you back. PERMIT YOURSELF TO BE GREAT. Allow yourself the freedom to BE BETTER. Allow yourself the opportunity to BE SUCCESSFUL.

AZPSMUN WINNERS

We would like to extend our congratulations to our middle school delegates who have performed valiantly throughout the course of the AZPS MUN. We were delighted to witness such enthusiasm and ambition from our younger students who have not only debated excellently but also managed to win awards. We are hopeful to see more aspiring delegates in the next version of AZPS MUN.
