

Safety Training with EduCare

At Al Zuhour Private School, we are pleased to announce providing our staff with access to a high-quality online course platform called “EduCare”.

EduCare is a market-leading provider of high-quality, concise and easy-to-use safeguarding and duty of care e-learning services.

EduCare have helped provide essential duty of care and safeguarding knowledge to over 4 million people, creating a safer environment for children, young people and adults at risk.

There are hundreds of simple, clear and concise e-learning courses for a range of industries – from Education and Sports.

Almost all of our teaching and non-teaching staff has taken and completed the core safety courses in order to get fully compliant with all necessary safety procedures at school. These training courses also help them to become more responsible persons in their life outside the school campus.
