Student Rights and Responsibilities Policy

Student Rights and Responsibilities Policy

Overview

It is the understanding of all students, upon being admitted to AL ZUHOUR PVT SCHOOL, that the technology resources and equipment provided are for the benefit of all students. This policy explains what rights students have with respect to this technology and what responsibilities are expected of each student.

Policy

Every student that attends AL ZUHOUR PVT SCHOOL shall be given an equal opportunity to learn and equal access to technology to help facilitate learning. All students, regardless of major, classification, student-type, housing location, or other identifying factor shall receive the same technology access as any other student.

Students should expect to receive access to wireless connections in classrooms, learning areas, common areas, dorms, etc. Students should also expect up-to-date computers in labs and teaching areas, multimedia equipment in most classrooms, state-of-the-art instructional television classrooms, and easily accessible online systems. Students should also expect to receive reliable, free internet service while on campus.

With all these rights and amenities, the AL ZUHOUR PVT SCHOOL IT Department does make some responsibilities and assumptions of our students. These responsibilities are as follows:

- Students are expected to utilize their AL ZUHOUR PVT SCHOOL e-mail address as it is the official method of communication with AL ZUHOUR PVT SCHOOL.
- Students are required to safeguard login credentials and not share user accounts.
- Students are expected to respect others privacy and equipment.
- Students are expected to use only permissible equipment on campus:
  - Computers such as laptops, desktops, mobile devices, etc.
- Students are to observe prohibited devices on campus:
  - Personal routers, wireless access points, bridges, or other network equipment.
- Students are required to comply with all policies included in this document.
